A little bit about the foundation.....

The Melody Shafie Foundation for Neuroblastoma (MSFN) is a 501 c 3 charitable organization that was founded in memory of Melody Shafie. Melody's long and courageous battle against neuroblastoma ended in January of 2006. Since then, her parents Drs. Hamid Shafie & Maryam Mohammadi have worked to raise awareness for this childhood cancer. MSFN raises funds to support research aimed at fostering the understanding of and finding a cure for neuroblastoma. Your generous participation in this event will directly impact the lives of many!

For more information on neuroblastoma visit www.NANT.org

For registration assistance or to find out how you can help:
